**IMPACT:** Local

**Summary of Legislation:** This bill eliminates a restriction on counties containing a consolidated city or a second class city and cities located in those counties that prevents them from imposing an emergency telephone system fee in excess of 3% of the average monthly telephone access line charge (as opposed to the 10% maximum fee for all other counties).

**Effective Date:** July 1, 2001.

**Explanation of State Expenditures:**

**Explanation of State Revenues:**

**Explanation of Local Expenditures:**

**Explanation of Local Revenues:** Depending on the level of fees set, counties under the current 3% maximum fee structure could see an increase in fees collected. The precise impact is indeterminable and dependent upon any new fees set by the affected counties. The fees would be limited to 10% of the average monthly telephone access line charge in the unit.
